Ukrainian Family seeks a house in Gurteen, or in surrounding countryside.

We are a family from Ukraine looking for a house under the ARP scheme.

My name is Vasyl, my wife Nataliia, we have two sons Artem 16, Maksym 14, and our 4 year old daughter, Solomiia.

We moved from hotel in Rosses Point to No. 8 Flannery Terrace, Gurteen.

The 6 months residence contract for us in this dwelling will expire on July 25th. Due to owner's intention to sell the house the contract is not being extended for us. We were given one month's notice.

We wish to continue living in Gurteen, or nearby, since our daughter Solomiia is due to start in Carn N.S., Artem & Maksym could continue to go by bus to Ballinode College, where they first started.

We have a car (from Ukraine), so a house in the country would also suit us.

We do not have pets. We would be very grateful for your help.

**Our contacts, by WhatsApp:
